KofC 7538 Council Officers Meeting Notes

November 23, 2026

Notes from WFS Jim Hartigan.

The meeting was held at the St. Ann's. The following members attended:

* Attendees: GK Weber, Della Valle, Treasurer Coker, Hartigan, Montag, Kastleberg, Macera, Lasser, Sheppard and Brim.

* The golf committee met before the officers and reviewed the tournament. It was a success.

* Work at the Monastary continues:
Needs treated wood (2 x 4 and 2 x 6s) and some method of draining.
Phase 1 -- finish the walls (by the 15th)
Phase 2 -- gutters, replace roof
Phase 3 -- drain tile to get water away from the slab. (Spring, 2027)

* Jimmy Kastleberg asked about insurance.

* Tom Lasser talked about moving the council dinner. Superbowl, Lent…

* GK Kennedy requested that everyone get Veritus certified.

* Pat Brim to get the check details for the ultrasound to me.

* I blurted out we'll start sending out notices for 2027 dues around the December business meeting. I'll be making an order for badges (and possibly shirts) and will be requesting information from people who are due badges (and possibly shirts). I or Mario will be making a motion for more money (that we've spent) for the golf tourney. We went overbudget, but brought in more than planned for. Should be a formality.
