Habitat with our homes will better meet what we do that our new homeowners will not be cost burdened with a high mortgage payment. To keep our homes affordable to lower-income families, we rely on our volunteers and financial contributions from organizations and individuals to be successful. All financial support, no matter the amount, is greatly appreciated.

HABITAT FOR HUMANITY VOLUNTEER OPPORTUNITY
 Saturday, June 15th 8:30am-3:30pm

Our parish is scheduled for a Habitat and King William Habitat for Humanity workday on Saturday, June 15th. Ten volunteers, ages 16 years and up (all skill levels welcome) are needed. The homes are located within the 500 block of Arlington Street in Ashland. Volunteers are needed from 8:30am to 3:30pm. Arrive by 8:15am for safety and construction methods for the day.

This is a great way for our youth to get service hours! Contact Jimmy Kaselberg at jimmy.kaselberg@hfh.org for sign-up and more information for this event.

HABITAT'S STAR DEVELOPMENT

Habitat and King William Habitat for Humanity will be developing 1.5 acres in Ashland at the corner of South Taylor Street and Arlington Street into a five-lot affordable home development. Habitat affectionately calls this STAR project, short for S. Taylor and Arlington Streets.

This project will cost approximately \$1,600,000 to develop five affordable homes due to the infrastructure costs, street-level work, and the cost of home construction. We still need additional funds to complete this project.

We have identified the families that will purchase these homes. Please read more about these individuals in the following list.
